### **THE HISTORY OF HONOURS, INC.**

Honours, Inc. was founded in 1983 by a group of concerned individuals to provide financial support to Slinger High School graduates of outstanding abilities to continue their education. It was incorporated as a non-profit charitable foundation.

In 1985, the first scholarships for college bound students were awarded. The following year, the first scholarship was awarded to a student attending technical school.

By 1986, the fund had grown to \$250,000 due notably to two substantial individual gifts of \$25,000 from the Holtan family and \$115,000 from William Storck. In 1988, the Board of Directors authorized a fundraising drive. The entire community responded with gifts and pledges. Several of the other named scholarships have their roots with this fund drive. In order to guarantee the fund in perpetuity, scholarships are awarded from a percentage of the yearly earnings. The fund balance to this date exceeds six million dollars.

This program commemorates the 42nd awards presentation. Over the years, 1,366 students have received a total of \$4,045,050 in scholarships. This year we are awarding 66 more students a total of \$328,000.

### **GOALS OF HONOURS, INC.**

- To provide meaningful financial assistance to students of Slinger High School who have demonstrated outstanding achievement in school and who will continue their education toward careers and vocations of their choice.
- To increase the number and amounts of the scholarships.
- To guarantee what was begun in 1983 will continue through 2083 and the named recognition and memorial gifts are continued in perpetuity.
