

HONOURS, INC. SCHOLARSHIP

Application Information Sheet

The purpose of Honours is to award scholarships on the basis of outstanding achievement in high school by financially assisting students to continue their pursuit of excellence in continuing education.

A committee composed of members of the Honours Board of Directors will consider applicants for scholarships. Each applicant must be a member of the Senior Class of Slinger High School and pursuing continuing education. The applicant will complete and deliver the application form to the high school Guidance Office by the deadline given. **Each applicant is also expected to request two (2) recommendations from persons unrelated to the applicant.** One form must be from an adult outside of school, and one form must be from an adult at school who knows you well. Please give the people completing the recommendation form plenty of time to finish and submit the form. Do not ask them at the last minute. **No letters of recommendations.**

The committee will consider the applications and select students to be interviewed. The selection criteria will consider the applicant's...

- Academic achievement (Class Rank, Class Load, Class Types, Transcript, etc.)
- Enrollment and type of school attending
- Potential for program completion (ACT/SAT, Advanced Coursework, Internships, etc.)
- Quality of application and contents thereof (Applications must be typed.)
- Community Service and/or participation in extra-curricular activities and/or employment in the community

Recognition will be given to recipients who choose to donate their scholarship back to Honours because they have received other significant scholarship awards to cover all of their expenses.
